Headteacher message

Another great week has come to an end, although it has certainly been a warm one! We've been keeping cool in the shade, with the occasional light spray from the hosepipe, and I'd like to thank you for ensuring that your children come to school with sun cream applied, a water bottle, and anything else they need to stay comfortable in the hot weather.
It has been another incredibly busy week across school. Year 4 travelled to Swinton to take part in the Literacy Trust performance, Year 5 enjoyed their reward trip to the Deans Youth Centre, and Year 6 had a fantastic end-of-year trip to Graystones. We also held our Year 3 and 4 Sports Day, and Year 6 did a wonderful job hosting our Summer Fair.
What a busy week it has been! Despite the packed schedule, our children have shown fantastic enthusiasm, excellent behaviour, and a real willingness to get involved in every opportunity. It has been wonderful to see so many smiling faces and memorable experiences being made as we approach the end of another successful school year.
Thank you, as always, for your continued support. We hope you all have a lovely weekend.
Mrs Walton

Terrific timekeepers

Please ensure your child arrives at school on time each morning. Education is important, and all core subjects are taught first thing in the day. Being punctual helps pupils start their learning calmly and confidently.

The class who were all in on time this week were: Year 6

Thank you to all parents who consistently ensure their children are on site for **8:45am**, when classroom doors open. Your support makes a real difference.

SEND Summer Holiday Groups and Activities

If you are looking for activities and support over the summer holidays, please take a look at the SEND Summer Holiday Groups and Activities page on the mycity Directory. It provides information about a range of groups, activities and services available for children and young people with Special Educational Needs and Disabilities (SEND) throughout the summer break.

Water safety over the summer

Next week, all Key Stage 2 pupils will be taking part in a water safety assembly. As we head into the summer holidays, it is important that children understand how to stay safe around water.

Sadly, over the past month there has been an increase in incidents involving children getting into difficulty in open water, with some resulting in tragic loss of life. We would encourage all families to talk to their children about the dangers of swimming in rivers, canals, reservoirs, lakes and other open water, even during hot weather.

Please take a few moments to read the information from Greater Manchester Fire and Rescue Service using the link below. It contains important advice and guidance to help keep everyone safe around water this summer.
